Performance Data Analyst

London, EC1V 1NG  United Kingdom

The National Autistic Society
We are The National Autistic Society, the UK’s leading charity for autistic people & their families.

Job title: Performance Data Analyst
Location: Head Office, London
Hours: 35 Hours
Contract: Permanent
Salary: £30,452 plus £1598 London Allowance

Who we are
We are the leading UK charity for people with autism and their families. We provide information, support and pioneering services, and campaign for a better world for people with autism. We are proud of the difference we make.

Who we are looking for
We are looking for someone who is able to design and build databases and has the ability to collect data required to monitor the quality and impact of services provided by The National Autistic Society. The successful post holder will also be required to conduct surveys of autistic people, their families and autism professional compiled through online survey tools and other alternative methods.

What we can offer you

- Excellent induction, training and development programme including Autism specific interventions and NAS conference opportunities
- Reflective supervision, mentoring and coaching
- 24 hour access to online training
- Online staff discount scheme for a range of benefits(e.g. childcare voucher and cycle to work schemes)
- Access to a 24 hour Employee Assistance counselling programme
- Pension scheme
• 25 days annual leave
• Career progression opportunities
• Potential for home working
