Visiting Faculty

Statistics

Xavier University, a Catholic university in the Jesuit tradition, invites applications for a one-year Visiting Faculty position for the 2016-2017 academic year. Applicants must hold a degree at the Masters level in Statistics or related field; a Ph.D. is preferred.

Qualified candidates who are committed to outstanding teaching and who are interested in contributing to the growth of our programs in Actuarial Science and Statistics are encouraged to apply. Primary responsibilities will be to teach four classes (12 credit hours) in each of the Fall 2016 and Spring 2017 semesters.

A complete application includes a cover letter; a curriculum vita; a statement on teaching philosophy; graduate transcripts; and three letters of recommendation. These items should be submitted online at [http://www.mathjobs.org](http://www.mathjobs.org).

A review of applications will begin immediately and continue until the position is filled.

For more information about our department, please visit [http://www.xavier.edu/math/](http://www.xavier.edu/math/). Questions about the position may be directed to Dena S. Morton, Chair, Department of Mathematics, [morton@xavier.edu](mailto:morton@xavier.edu). Xavier University has a strong commitment to diversity and, building upon recent success, seeks a broad spectrum of candidates, including women and minorities.
