Miami University

2nd Tenure Track Position

Statistics: Tenure-track assistant professor or associate professor, beginning in August 2017 to teach undergraduate and graduate courses in statistics; conduct methodological and collaborative research leading to publication; provide academic advising; supervise student research; serve on graduate examination committees; provide service to the institution. Required: doctorate in statistics, biostatistics, or closely related field by date of appointment. Appointment as associate professor requires a proven record of accomplishment in research, scholarship, teaching and service. Consideration will be given to candidates with expertise in survey methods, data visualization, statistical programming, statistical learning, experimental design or Bayesian methods and experience teaching face-to-face courses; excellent record in or potential for methodological and collaborative research; interest in teaching a wide variety of statistics courses. The department’s Statistical Consulting Center provides collaborative consulting services to faculty, staff and students throughout the University. The department has active partnerships with nearby government agencies and industry to provide research opportunities, seminars and colloquia, student internships, and scholarships. Further information can be found at www.MiamiOH.edu/statistics

Submit cover letter, research statement, teaching philosophy, curriculum vitae and graduate transcript to https://miamioh.hiretouch.com/job-details?jobID=3532. The department will request letters from the three references included in the application; at least one letter must address the candidate’s teaching ability or potential. Inquiries can be addressed to statsearch@MiamiOH.edu. Screening of applications will begin December 1, 2016 and continue until the position is filled.

The University is committed to equal opportunity, affirmative action, and eliminating discrimination and harassment. Miami University does not discriminate on the basis of age, color, disability, gender identity or expression, genetic information, military status, national origin, pregnancy, race, religion, sex, sexual orientation or protected veteran status in its application and admission processes, educational programs and activities, facilities, programs or employment practices. Requests for all reasonable accommodations for disabilities related to employment should be directed to ADAFacultyStaff@miamioh.edu or 513-529-3560.

Miami University’s Annual Security and Fire Safety Report with information on campus crime, fires, and safety may be found at: http://www.MiamiOH.edu/campus-safety/annual-report/index.html. Hard copy available upon request. A criminal background check is required. All campuses are smoke- and tobacco-free campuses.
