Who We Are:
Lilly is a global healthcare leader that unites caring with discovery to make life better for people around the world.

We’re a Fortune 500 company, determined to bring life-changing medicines to those who need them and give back to communities through philanthropy and volunteerism. To learn more about Lilly, please visit us at [www.lilly.com](http://www.lilly.com).

Lilly offers:

- A Purposeful Career—bringing together people who discover and deliver life-changing medicines that improve peoples’ lives around the world.
- A Balance of Work and Life—creating an environment for employees to be productive in both their lives and their work.
- An Opportunity for Growth—providing opportunities for each individual to develop and advance professionally.
- A Diverse Culture—committed to uniting individuals across cultures, and developing a comfortable, connected, environment that values diverse thought.
- A Vibrant Community—headquartered in downtown Indianapolis, Ind. — *Time Magazine* ranked Indianapolis a top 10 city to start a new career in. Read more about living in Indianapolis at downtownindy.org.

We’re looking for:

- Highly motivated and driven leaders
- Individuals with integrity, excellence and respect for people.
- Individuals who want to make a difference in someone else’s life.

Responsibilities

The Global Statistical Sciences Division of Eli Lilly and Company anticipates having a number of internship positions available for the summer of 2017. The internships start in either May or June 2017 and last 12 weeks.

We will provide you with practical experience and give you the opportunity to build your understanding of the pharmaceutical industry and Eli Lilly and Company during your Internship.

The successful candidates will be assigned specific projects to work on under the guidance of a Sr. Statistician/Research Scientist (mentor) in one of our varied
research areas.

**Basic Qualifications**

- Master students with at least 1 year of graduate program by the end of the spring semester 2017
- Strong SAS/R programming skills
- Qualified candidates must be legally authorized to be employed in the United States. Eli Lilly and Company does not anticipate providing sponsorship for employment visa status (e.g., H-1B status) for this employment position.

**Additional Information**

- All interns will be considered for full-time positions based on their performance over the course of their summer internship.
- Lilly arranges various intern activities including sporting events, dinners, lunch and learns, etc. to provide opportunities for socializing, professional development, and learning more about Lilly.
- Interns will receive a competitive salary and free parking at their work site, as well as access to Lilly’s LIFE fitness center and bike garage
- If the intern’s job position requires a move from another location, Lilly will provide subsidized housing

Lilly is an EEO/Affirmative Action Employer and does not discriminate on the basis of age, race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, protected veteran status, disability or any other legally protected status.

**Removal Date** 31-Jan-2017
