Assistant Professor of Statistics Announcement

The Mathematics Department at Illinois State University is seeking applications for a tenure-track faculty position in Statistics beginning August 16, 2017.

Qualifications: A Ph.D. in Mathematics, Actuarial Science, Statistics, or an Actuarial-Science-related area is required. ABDs will also be considered as long as a PhD. is conferred in Mathematics, Actuarial Science, Statistics, or in an Actuarial-Science-related area prior to the start date of employment. State law mandates demonstrable oral proficiency in the English language as a requirement for this position.

Responsibilities: The person selected will be expected to teach a variety of statistics courses, maintain an active research program, and support the Statistics Program and Actuarial Program in the Department. Refereed research publications, quality teaching and professional service are required for tenure.

Rank and Salary: Rank is at Assistant Professor. Salary will be commensurate with qualification and experience.

Department and Programs: The Mathematics Department offers Bachelor’s and Master’s degrees in mathematics, and a Ph.D. degree in mathematics education. Within the Bachelor’s program there are sequences in mathematics, mathematics education, statistics, and actuarial science. The Master’s program offers specializations in statistics, actuarial science, biomathematics, mathematics, and mathematics education. Consult the department web site at www.math.ilstu.edu for more information. Illinois State University is a Center of Actuarial Excellence.

The University and Community: Illinois State University, with more than 20,000 students, is a state-supported, multi-purpose institution located in Bloomington-Normal, a fast-growing community located midway between Chicago and St. Louis.

To Apply: Applicants should complete the online application at the Illinois State University website: www.jobs.ilstu.edu via posting number 0708628 and include a letter of interest, graduate transcripts, curriculum vitae, teaching statement, and research statement.

Additionally, please arrange three letters of recommendation by December 15, 2016, to: Illinois State University: Statistics Position, Ms. Julie Lappin, Department of Mathematics, Campus Box 4520, Normal, IL 61790-4520. E-mail: jalapp1@ilstu.edu. FAX: (309) 438-5866.

Review of applications will start on December 15, 2016, and continue until the position is filled. To assure full consideration, application materials should be received by December 15, 2016. However, later submissions may be considered if the position remains unfilled.
For Additional Information on the position contact: Ms. Julie Lappin, jalapp1@ilstu.edu.
Phone: (309) 438-8781.
