University of Illinois at Chicago
College of Liberal Arts and Sciences
Department of Mathematics, Statistics, and Computer Science

The Department of Mathematics, Statistics, and Computer Science seeks to recruit an outstanding statistician with a strong academic background, an outstanding research record, and evidence of strong teaching ability for a position of Tenure Track Assistant Professor in Statistics. Applicants must have a Ph.D. or equivalent degree in statistics or a related field. The salary is negotiable. The position is effective August 16, 2018. Final authorization of the position is subject to the availability of funding.

The Department of Mathematics, Statistics, and Computer Science has active research programs in a broad spectrum of centrally important areas of pure mathematics, computational and applied mathematics, mathematical computer science, probability and statistics, and mathematics education. See http://www.math.uic.edu for more information.

Applicants should provide a vita, research and teaching statements, and at least three (3) letters of recommendation. Applications should be submitted through mathjobs.org. No applications will be accepted by surface mail or e-mail. To ensure full consideration, application materials must be received by December 1, 2017, but applications will be accepted through January 1, 2018. The University of Illinois at Chicago is an affirmative action, equal opportunity employer, dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a multicultural environment. We strongly encourage applications from women, minorities, individuals with disabilities and covered veterans. The University of Illinois may conduct background checks on all job candidates upon acceptance of a contingent offer. Background checks will be performed in compliance with the Fair Credit Reporting Act.

Application Materials Required:
Submit the following items online at this website to complete your application:

- Cover Letter
- Curriculum Vitae
- Research Statement
• Teaching Statement
• Publication List
• Three Reference Letters (to be submitted by the reference writers at this site)
