Statistics Officer

Vilnius, Lithuania

European Institute for Gender Equality

The European Institute for Gender Equality is an EU agency which promotes gender equality, fights discrimination based on sex and raises gender awareness.

The European Institute for Gender Equality (EIGE) is organising a call for applications with a view to establishing a reserve list for the post of

Statistics Officer.

Reporting to the Head of Operations and working in close collaboration with other colleagues, the jobholder will enhance the research and analytical capacity of the Unit.

The post requires a very good understanding of gender statistics, knowledge and experience in data collection and interpretation, production of statistics and applying advanced methods of statistical analysis, experience in research management and analytical skills, excellent drafting skills, very good understanding of relevant gender equality issues and excellent communication skills.

The place of employment is Vilnius. An AD 5 Temporary Agent contract under Article 2(f) pursuant to the Conditions of Employment of Other Servants of the European Union applies, subject to nine months’ probation. The contract will be three years and may be renewed.

Remuneration consists of the basic salary as well as various allowances[1] depending on personal situation of the jobholder. The current gross basic salary, before deductions and the correction coefficient weighting of 69.7% for Lithuania, is approximately €4,832.65. Salaries are taxed at source but are exempt from national taxation. Deductions for medical insurance, pension and unemployment insurance apply.

[1] For example: expatriation allowance, household allowance, education allowance, dependent child allowance, etc.
