

## Johanna Hardin Wins 2018 Mu Sigma Rho William D. Warde Statistics Education Award

*Jo Hardin of Pomona College with her award*

This award is named in honor of William Douglas Warde who unexpectedly passed away in August 2010. Bill was a faculty member at Oklahoma State University for forty-two years and was a long-time national officer of Mu Sigma Rho. Bill's energy and enthusiasm for the promotion of our discipline to students was second to none.
