

Deborah Nolan wins 2019 Mu Sigma Rho William D. Warde Statistics Education Award

Mu Sigma Rho is pleased to honor Professor Nolan with the William D. Warde Statistics Education Award.

This award is named in honor of William Douglas Warde who unexpectedly passed away in August 2010. Bill was a faculty member at Oklahoma State University for forty-two years and was a long-time national officer of Mu Sigma Rho. Bill's energy and enthusiasm for the promotion of our discipline to students was second to none.
