## INSTRUCTIONS

1. Calculators (using the programmable features will not help you since ALL work is required to receive full credit) and your cheat sheet are allowed. Exam is closed book/closed notes.
2. There are 5 pages front and back for the exam in addition to the cover sheet.
3. All numeric answers must have at least 3 decimal places...
4. Work is required to receive credit. Partial credit will be given for work that is partially correct. Points will be deducted for incorrect work even if the final answer is correct. Remember that you may provide work for multiple choice questions.
5. If I cannot read your work, it will be marked wrong.
6. Please attach your cheat sheet and any scrap paper to the exam.
7. Good Luck!
